Home Ventilator Reimbursement

Values

Accountability • Integrity • Service Excellence • Innovation • Collaboration

Abstract Purpose:

This reimbursement policy outlines Network Health's process, for all lines of business, when claims are submitted for home ventilators.

Policy Detail:

Network Health will provide reimbursement for home ventilators when they are billed with one (1) unit every thirty (30) calendar days.

If a claim is received with more than one (1) unit or at a frequency less than thirty (30) calendar days, the claim will pend for medical necessity review. To avoid delays in processing, please provide pertinent medical records to support the additional billing.

Definitions:

Home Ventilator: A machine that is used to mechanically assist breathing by moving air/oxygen to the lungs.
