## **Abstract Purpose:**

This reimbursement policy outlines Network Health's process, for all lines of business, when submitting a provider dispute or a provider appeal.

## **Policy Detail:**

All providers must be registered users on Network Health's provider portal in order to submit a provider dispute or a provider appeal. If a paper dispute/appeal is submitted, it will be returned to the provider.

If the provider is not a registered user on the provider portal, they may go to <a href="https://networkhealth.com/provider-resources/Index">https://networkhealth.com/provider-resources/Index</a> and click **Sign Up Now** under **Provider Portal Access** to begin the registration process.

## I. Provider Dispute Timeframes:

If Network Health upholds the claims denial, your appeal will be forwarded to Maximus Federal Services.

## **III.** Qualified Payment Amount:

A. Network Health does not manage the dispute process for Qualified Payment Amount (QPA) related services. Please review your provider remittance advice, which outlines this process.
