**Required Coverage for
Reconstruction Surgery following Mastectomies**

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health & Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the member, for:

1. All stages of reconstruction of the breast on which the mastectomy was performed;
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance;
3. Prostheses; and
4. Treatment of physical complications of the mastectomy, including lymphedemas.

Under the Women's Health and Cancer Rights Act, coverage of breast reconstruction benefits are subject only to deductibles, coinsurance and copayment limitations consistent with those established for other benefits under the plan. If you would like more information on WHCRA benefits, call Network Health's Customer Service Department at 800-826-0940 or locally at 920-720-1300.
