Did another insurance pay for this claim?
You must first submit the claim to the primary insurance. If the primary plan is one in which a copayment or coinsurance

is paid at a retail pharmacy, complete the form, and attach the prescription receipt(s) that shows the copayment or coinsurance amount paid at the pharmacy.

Is an Explanation of Benefits included?

Some plans require an explanation of benefits from your primary insurance. Once the statement from the primary plan is received from the primary carrier, attach the statement from the primary plan, which clearly indicates the cost of the prescription and what was paid by the primary plan. This does not replace the required receipt from the pharmacy.

Is this a discount card claim?

Prescription claims are filled at a retail pharmacy using a rebate, coupon card, savings card, pharmacy discount plan, or GoodRx, etc. instead of using your prescription plan at the pharmacy. Discounts applied by an Express Scripts discount plan are not eligible for reimbursement.

If the primary plan is one in which a copayment or coinsurance is paid at a retail pharmacy, then no EOB is needed. Just complete this form and attach the prescription receipt(s) that shows the copayment or coinsurance amount paid at the pharmacy. The receipt(s) will serve as the EOB.

Express Scripts® Pharmacy

If the primary plan is home delivery, complete this form and attach either the prescription receipt(s) that shows the copayment or coinsurance amount paid to the home delivery pharmacy or the statement of benefits you receive from the home delivery pharmacy.
