

The Value of Integrated Medical and Dental Benefits

Join us and revolutionize dental care in Wisconsin

Together, let's treat inflammation and infection of the gums like any other infection in the body.

Network Health Puts Patients Over Profits

- We understand that oral health is a critical component of overall health – and leads to early detection and better management of chronic conditions such as diabetes, cardiovascular disease and respiratory disease.
- We believe Dentists should be compensated for improving health outcomes.
- As your local Wisconsin-based, provider-owned plan, Network Health's profits are reinvested back into the community.

Taking the extra steps to do what's right and providing consistent service

- **Network Health earned a 5 Star Rating on customer service for the fourth consecutive year.***
- 90.99% of member calls are answered in 30 seconds or less
- 99.89% of claims processed accurately within 30 days or less
- Existing providers rank Network Health in the 95th percentile for claims accuracy
- Four-day average turnaround time for pre-determination requests

Why Network Health Dental?

Imagine a future that includes transparent contracting, quick claims payment, an easy to use provider portal and the ability to treat your patients more fully.

Traditional Dental Insurance	Network Health Dental Plan
Unilateral reimbursement reductions	Above average market reimbursement rates
Dental plan administered separately from the medical plan	Dental and medical insurance with one carrier
Patients confused and frustrated with benefit coverage limits	Enhanced comprehensive coverage and limits for patients
Contract tied to other documents with hidden clauses and surprises	Simple, transparent contracting and policies
Payment policies mis-aligned with clinical guidelines	Payment policies aligned with clear clinical guidelines
Customer and provider service representative located in other states	Wisconsin-based customer and provider service representatives

Enhanced Benefits

- Up to two additional dental visits in a benefit year for periodontal maintenance or adult prophylaxis
- Comprehensive periodontal coverage with the ability to complete all four quadrants in one day

“ My daughter, Miranda, is an independent dentist in Menomonee Falls so I understand the importance of working together to bridge the gap between oral health and overall health to enhance quality of life, prevent chronic diseases and promote a greater sense of well-being for your patients. ”

– Coreen Dicus-Johnson, President and CEO at Network Health

History

Founded in 1982, as a group Health Maintenance Organization, Network Health evolved through the years with a variety of health plan offerings and became solely owned by Froedtert ThedaCare Health, Inc. in 2023.

One of the greatest advantages of being headquartered right here in Wisconsin is that we are deeply connected to the communities where we all serve, live and work. At Network Health, we strive for excellence in everything we do and making a positive impact in our communities is no different.

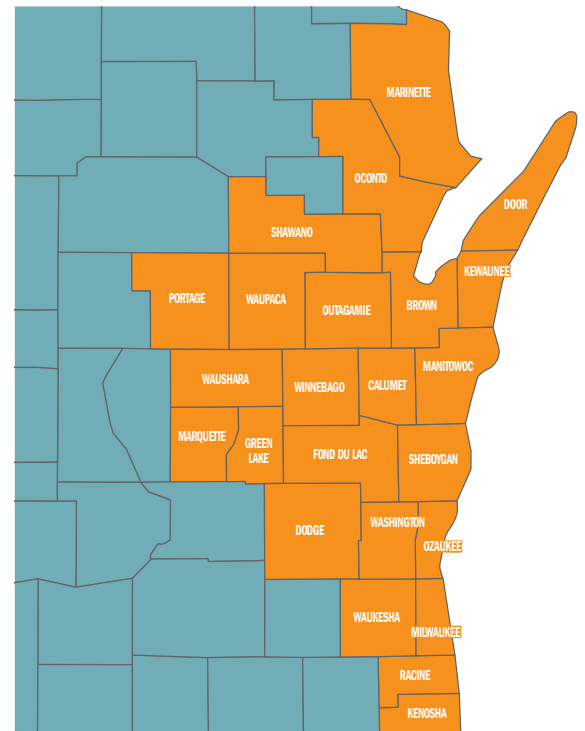

Accolades

Network Health has a 5 out of 5 **overall Star Rating** for 2025 for our Medicare Advantage PPO plans from the Centers for Medicare & Medicaid Services (CMS). This is Medicare's highest rating and we have achieved this rating for four years in a row.

Network Health is the **only Medicare Advantage plan** in our service area with a **5 Star Health Plan Rating** for 2024 from the National Committee for Quality Assurance (NCQA).*

Network Health ranks 1st for overall quality metrics in the State of Wisconsin Group Health Insurance Program (ETF), with a #1 ranking in the following categories.

- **Rating of the health plan**
- **Comprehensive diabetes care**
- **Follow-up after hospitalization for mental illness**

Ease of Contracting and Exceptional Service

Participation in our dental network is a transparent and seamless process designed with your independent practice in mind

- Boiler plate contract for your review to ensure clarity and understanding of the terms
- Sample rates included to help you make an informed decision
- Benefit plan coverage details to ensure your patients have affordable coverage and you receive fair compensation
- Ongoing local support to assist with contracting, benefits, plans, eligibility and claims payment
