FREQUENTLY ASKED QUESTIONS

Why did I receive a Delta Dental ID card? Dental Medicare Advantage is the new dental provider for NetworkCares. Find a participating provider at <http://medicareadvantage.deltadentalwi.com>.

Is Delta Dental Medicare Advantage different than Delta Dental? Yes. Delta Dental, like Network Health, is an insurance provider that offers different types of dental plans. Medicare members need to use a Delta Dental Medicare Advantage network provider to ensure coverage. Find a participating provider at <http://medicareadvantage.deltadentalwi.com>.

What happens if my dentist does not participate in Delta Dental's Network? If your dentist does not participate in the network, you may be responsible for the difference between Delta Dental's payment to you and the amount charged by the non-participating dentist. If your dentist has opted out of Medicare participation, they will be unable to submit a claim to Delta Dental for payment. We suggest confirming coverage when you schedule your dental appointment and asking if your dentist accepts Medicare.

What happens if I lose my Delta Dental ID Card? Simply call Delta Dental's Medicare Advantage Customer Service at **866-548-0292** (TTY 711) for a replacement. You will be asked to provide your name, date of birth and Network Health ID number or mailing address.

What's the best way to know what I might owe on some dental work? You can ask your dentist for a letter outlining any copayments associated with the specific dental care you need.

**As a NetworkCares member, your care manager will work with you and answer questions you may have.
Call Network Health Care Management at 866-709-0019 (TTY 800-947-3529), Monday–Friday, from 8 a.m. to 5 p.m.**
