Frequently Asked Questions

Will I receive an EyeMed ID card?

No. To receive your EyeMed benefit, simply show your Network Health ID card to your EyeMed provider. They will take care of the rest.

How do I get the \$400 that's offered for my contacts or glasses?

When you visit an in-network provider, the \$400 is applied towards your purchase of glasses or contacts, with a valid prescription, by presenting your Network Health ID card to your EyeMed in-network provider. Any balance that remains can be used on a future purchase during the calendar year. If you visit an out-of-network provider, you must pay for your eyewear and submit your receipt to EyeMed to receive your reimbursement, up to \$400.
