To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. These limits are called the “maximum out-of-pocket amounts.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2021 (this year)	2022 (next year)

## Section 1.3 – Changes to the Provider Network

---

There are changes to our network of providers for next year. An updated *Provider Directory* is located on our website at [networkhealth.com/provider-resources/printable-directory](http://networkhealth.com/provider-resources/printable-directory). You may also call our member experience team for updated provider information or to ask us to mail you a *Provider Directory*. **Please review the 2022 *Provider Directory* to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider to manage your care.

## SECTION 2 Deciding Which Plan to Choose

### Section 2.1 – If you want to stay in Network PlatinumPlus

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Network PlatinumPlus.

### Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2022 follow these steps:

#### **Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan timely,
- *OR--* You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, read the *Medicare & You 2022* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to [www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare). **Here, you can find information about costs, coverage and quality ratings for Medicare plans.**

As a reminder, Network Health Insurance Corporation offers other Medicare health plans. These other plans may differ in coverage, monthly premiums and cost-sharing amounts.

### **Step 2: Change your coverage**

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Network PlatinumPlus.
  - To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Network PlatinumPlus.
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact our member experience team if you need more information on how to do this (phone numbers are in Section 7.1 of this booklet).
  - – *OR* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, seven days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## **SECTION 3 Deadline for Changing Plans**

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2022.

### **Are there other times of the year to make a change?**

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage and those who move out of the service area, may be allowed to make a change at other times of the year. For more information, see Chapter 8, Section 2.3 of the *Evidence of Coverage*.

If you enrolled in a Medicare Advantage plan for January 1, 2022, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2022. For more information, see Chapter 8, Section 2.2 of the *Evidence of Coverage*.

## **SECTION 4 Programs That Offer Free Counseling about Medicare**

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Wisconsin, the SHIP is called Wisconsin SHIP.

Wisconsin SHIP is independent (not connected with any insurance company or health plan). It is a state program that gets money from the federal government to give **free** local health insurance counseling to people with Medicare. Wisconsin SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Wisconsin SHIP at 800-242-1060. You can learn more about Wisconsin SHIP by visiting their website at <https://www.dhs.wisconsin.gov/benefit-specialists/medicare-counseling.htm>.

## SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75 percent or more of your drug costs including monthly prescription drug premiums, annual deductibles and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don’t even know it. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day, seven days a week;
  - The Social Security Office at 1-800-772-1213 Monday – Friday from 8 a.m. and 7 p.m. TTY users should call, 1-800-325-0778 (applications); or
  - Your state Medicaid office (applications).
- **Help from your state’s pharmaceutical assistance program.** Wisconsin has a program called Wisconsin Senior Care that helps people pay for prescription drugs based on their financial need, age or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in Section 4 of this booklet).
- **What if you have coverage from an AIDS Drug Assistance Program (ADAP)?** The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost sharing assistance. Contact the Wisconsin AIDS/HIV Drug Assistance Program at 608-267-6875 or 800-991-5532. Note: To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status.
- If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost sharing assistance for drugs on the ADAP formulary. In order to be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number. The Wisconsin AIDS/HIV Drug Assistance Program can be reached at 608-267-6875 or 800-991-5532.
- For information on eligibility criteria, covered drugs, or how to enroll in the program, please call Wisconsin AIDS/HIV Drug Assistance Program (ADAP) at 608-267-6875 or 800-991-5532.
