### III. **Selecting a Dentist**

You may choose any Dentist, so long as that Dentist has not affirmatively opted out of Medicare participation. If you receive services from a Dentist that has affirmatively opted not to participate with Medicare, Delta Dental will be unable to make any payments to either you or your Dentist and you will be responsible for all costs. **Prior to receiving services from your Dentist, you should confirm whether or not your Dentist has affirmatively opted out of Medicare participation.**

When selecting a Dentist, you may choose any Dentist. Your out-of-pocket costs are likely to be less if you go to a Delta Dental Medicare Advantage Participating Dentist. Medicare Advantage Participating Dentists agree to accept payment according to the applicable Delta Dental Medicare Advantage Participating Dentist Agreement and, in most cases, this results in a reduction of their fees. To verify that a Dentist is a Medicare Advantage Participating Dentist, you can use Delta Dental's online Dentist Directory at [medicareadvantage.deltadentalwi.com](http://medicareadvantage.deltadentalwi.com) or call (866) 548-0292 (TTY Users call 711).

If the Dentist you select is not a Delta Dental Medicare Advantage Participating Dentist, you will still be covered, but you may have to pay more.

If you choose a Nonparticipating Dentist, you will be responsible for any difference between the Nonparticipating Dentist Fee and the Dentist's Submitted Fee, in addition to any Copayment.

---

### IV. **Accessing Your Benefits**

To utilize your dental benefits, follow these steps:

1. Please read this Certificate and the Summary of Dental Plan Benefits carefully so you are familiar with your benefits, payment methods, and terms of This Plan.

2. Make an appointment with your Dentist and tell him or her that you have dental benefits with Delta Dental's Medicare Advantage Dental Plan. If your Dentist is not familiar with This Plan or has any questions, have him or her contact Delta Dental by writing to Delta Dental, Attention: Customer Service, P.O. Box 9214, Farmington Hills, Michigan 48333, or calling the toll-free number at (866) 548-0292.
3. After you receive your dental treatment, you or the dental office staff will file a claim form, completing the information portion with:
  - a. Your full name and address
  - b. Your Network Health Member ID number
  - c. Your date of birth

#### Notice of Claim Forms

Delta Dental does not require special claim forms. However, most dental offices have claim forms available. Medicare Advantage Participating Dentists will fill out and submit your dental claims for you.

Mail claims and completed information requests to:

**Delta Dental**  
**P.O. Box 9215**  
**Farmington Hills, Michigan 48333**

#### Pre-Treatment Estimate

You or your Dentist may seek a Pre-Treatment Estimate from Delta Dental at any time. A Pre-Treatment Estimate is a voluntary and optional process where Delta Dental issues a written estimate of dental benefits that may be available under your coverage for your proposed dental treatment. Your Dentist submits the proposed dental treatment to Delta Dental in advance of providing the treatment.

A Pre-Treatment Estimate is for informational purposes only and is not required before you receive any dental care. It is not a prerequisite or condition for approval of future dental benefits payment. You will receive the same Benefits under This Plan whether or not a Pre-Treatment Estimate is requested. The benefits estimate provided on a Pre-Treatment Estimate notice is based on benefits available on the date the notice is issued. It is not a guarantee of future dental benefits or payment.

Availability of dental benefits at the time your treatment is completed depends on several factors. These factors include, but are not limited to, your continued eligibility for benefits, your available annual or lifetime Maximum Payments, any coordination of benefits, the status of your Dentist, This Plan's limitations and any other provisions, together with any additional information or changes to your dental treatment. A request for a Pre-Treatment Estimate is

not a claim for Benefits or a preauthorization, precertification or other reservation of future Benefits.

#### Written Notice of Claim and Time of Payment

Because the amount of your Benefits is not conditioned on a Pre-Treatment Estimate decision by Delta Dental, all claims under This Plan are Post-Service Claims. All claims for Benefits must be filed with Delta Dental within one year of the date the services were completed. Once a claim is filed, Delta Dental will decide it within 30 days of receiving it. If there is not enough information to decide your claim, Delta Dental will notify you or your Dentist within 30 days. The notice will (a) describe the information needed, (b) explain why it is needed, (c) request an extension of time in which to decide the claim, and (d) inform you or your Dentist that the information must be received within 60 days or your claim will be denied. You will receive a copy of any notice sent to your Dentist. Once Delta Dental receives the requested information, it has 15 days to decide your claim. If you or your Dentist does not supply the requested information, Delta Dental will have no choice but to deny your claim. Once Delta Dental decides your claim, it will notify you within five days.

#### Authorized Representative

You may also appoint an authorized representative to deal with Delta Dental on your behalf with respect to any benefit claim you file or any review of a denied claim you wish to pursue (see the Grievance and Appeals Procedure section). You should call Delta Dental's Customer Service department, toll-free, at (866) 548-0292, or write them at P.O. Box 9214, Farmington Hills, Michigan, 48333, to request a form to designate the person you wish to appoint as your representative or you may use the CMS Appointment of Representative Form (Form CMS-1696). While in some circumstances your Dentist is treated as your authorized representative, generally Delta Dental only recognizes the person whom you have authorized on the last dated form filed with Delta Dental. Once you have appointed an authorized representative, Delta Dental will communicate directly with your representative and will not inform you of the status of your claim. You will have to get that information from your representative. If you have not designated a representative, Delta Dental will communicate directly with you.

## Questions and Assistance

---

Questions regarding your coverage should be directed to Delta Dental's Customer Service department, at (866) 548-0292 (TTY Users call 711) (toll-free). You may also write to Delta Dental's Customer Service department at P.O. Box 9214, Farmington Hills, Michigan, 48333. When writing to Delta Dental, please include your name, your Network Health Member ID number, and your daytime telephone number.

## V. How Payment is Made

---

If your Dentist is a Medicare Advantage Participating Dentist, Delta Dental will base payment on the Maximum Approved Fee for Covered Services.

Delta Dental will send payment directly to the Medicare Advantage Participating Dentists and you will be responsible for any applicable Copayments or Deductibles.

If your Dentist is a Nonparticipating Dentist, Delta Dental will base payment on the Nonparticipating Dentist Fee for Covered Services.

For Covered Services rendered by a Nonparticipating Dentist, Delta Dental will send payment directly to the Dentist and you will be responsible for any difference between Delta Dental's payment and the Dentist's Submitted Amount.

### **VIII. Coordination of Benefits**

---

The Coordination of Benefits ("COB") provision applies when a Person has health care coverage under more than one plan. "Plan" is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans does not exceed 100 percent of the total Allowable Expense.

#### **Definitions**

Plan is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts.

1. Plan includes: group and non-group insurance contracts, medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.
2. Plan does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; school accident type coverage; benefits for non-medical

components of long-term care policies; Medicare supplement policies; or coverage under other federal governmental plans that do not permit coordination.

Each contract for coverage under (1) or (2) above is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

This Plan, for purposes of this section, means the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

Order of Benefit Determination Rules determines whether This Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan.

When This Plan is primary, it determines payment for its Benefits first before those of any other Plan without considering any other Plan's Benefits. When This Plan is secondary, it determines its Benefits after those of another Plan and may reduce the Benefits it pays so that the total benefits paid by all Plans do not exceed the Submitted Amount. In no event will This Plan's payments exceed the Maximum Approved Fee.

#### **Order of Benefits Determination Rules**

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

1. This Plan will pay primary over any Medicaid or Retiree Plan that you may have.
2. This Plan will pay secondary to any employer sponsored, automobile, group, or individual Plan you may have, except for those listed in (1) above.
3. If This Plan is the Primary Plan, it will pay its benefits according to its terms of coverage and without regard to the benefits under any other Plan.
4. Except as provided in the following paragraph, a Plan that does not contain a COB provision is always primary unless otherwise required by law.

Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any

other parts of the Plan provided by the contract holder, shall be secondary regardless of whether or not it contains a COB provision.

5. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

#### **Effect on the Benefits of This Plan**

When This Plan is secondary, it may reduce its Benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Submitted Amount. In determining the amount to be paid, This Plan will calculate the benefits it would have paid in the absence of other health care coverage (Maximum Approved Fee) and apply that the remaining amount that you owe to the Dentist following the Primary Plan's payment. The amount paid by This Plan will not exceed the Maximum Approved Fee.

#### **Right of Recovery**

If the amount of the payments made by Delta Dental is more than it should have paid under this COB provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.
